interior design for a reception

Sketch by Mirosław Nizio, the creator of the vision for the Klonn Restaurant, architect, and patron of the arts, who has run the architectural studio Nizio Design International and the Nizio Gallery and Foundation for twenty years. He has received nearly thirty prestigious national and international awards for his architectural and exhibition projects.

## THE KLONN RESTAURANT

Located by the Ujazdowski Castle, KLONN is a green oasis in the heart of the capital city. The place was inspired by a 200-year-old natural monument growing in the restaurant's garden. KLONN actively participates in the culinary and artistic life of Warsaw. Alluring with its easy-going atmosphere, it invites you to spend time together and plant your roots in this unique space. It is ideal for a special reception, an intimate concert, a business meeting, or a product launch.

## **E V E N T S**

What sets us apart is our love of fine cuisine, our professionalism mixed with a relaxed atmosphere and an individual approach to each guest's needs.

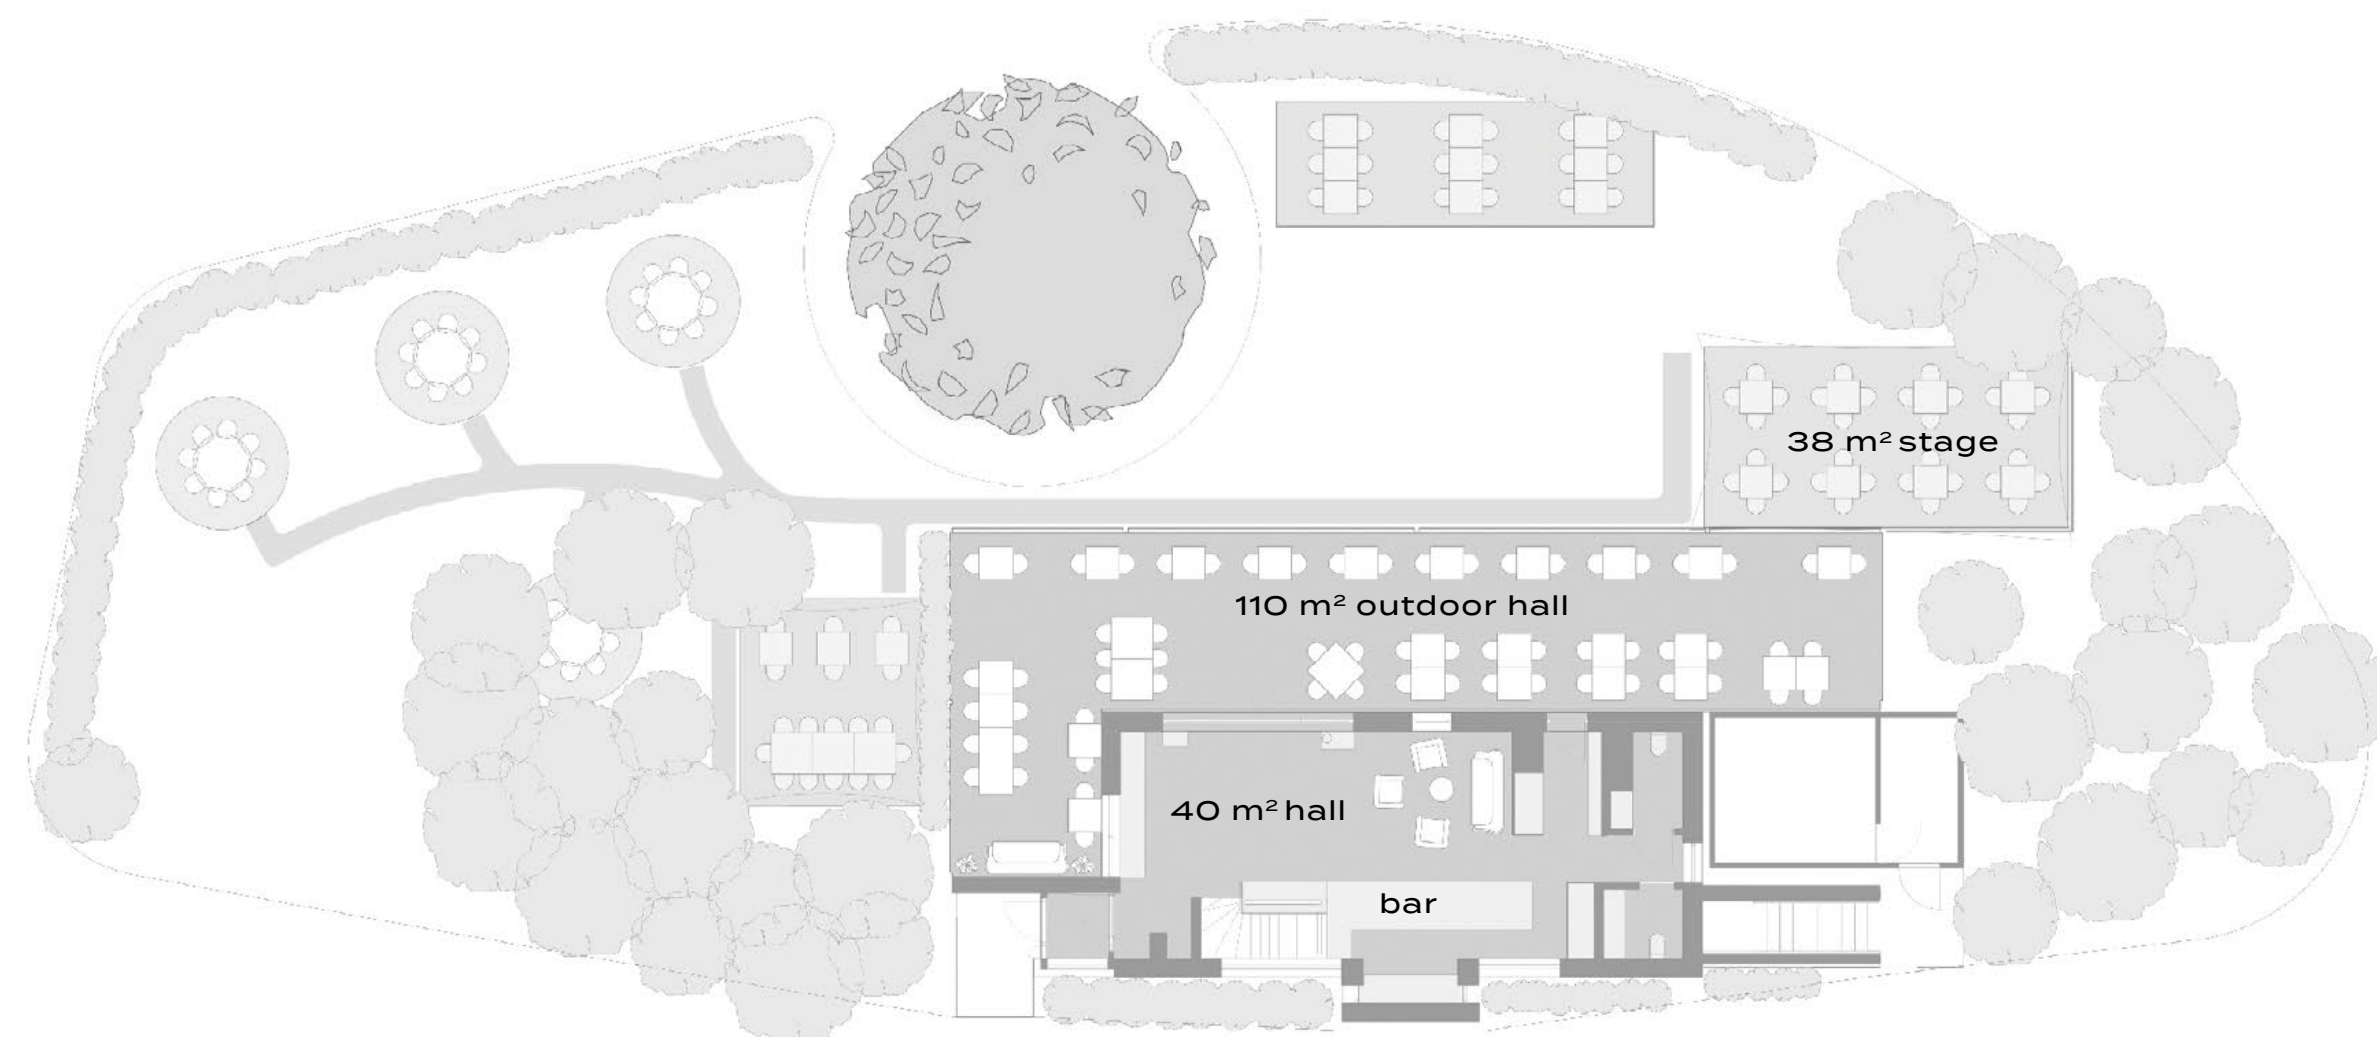

During the warm months (May - October), we can hold events for up to 150 seated guests (up to 200 for cocktail events). We have a one of a kind garden located in the very centre of Warsaw. In winter, when events are held indoors, we can welcome up to 80 seated guests (up to a 100 for cocktail events).

We hold intimate concerts, various premieres, workshops, anniversaries, and much more. Our space is extremely adaptable - it does not restrict us in the creation of proposals tailored to the needs of our guests.
